

## **FIRE & FLINT WORKSHOPS**

Get involved with Brandon Fire & Flint - take part in a series of workshops to learn new skills, support the community festival, and celebrate the rich history of Brandon.

Dan Shorten, the mastermind behind our grand finale digital projection show on the Town Hall, is leading two open workshops in Brandon Library. Come along to find out more about the creative process behind digital mapping.

Try your hand at projection mapping, learn some digital design skills, and get tips from the experts in FREE fun and informal workshops. You don't need any previous experience to join in, come along to experiment with digital arts.

**Brandon Library**
